

2023 Statistical Publication and Dissemination Calendar

This Calendar is issued by the Economics and Statistics Office (Cayman Islands Government) as approved by the Cabinet in compliance with the Statistics Law (2016 Revision) which provides that official statistics be published “in accordance with the annual publication and dissemination calendar as the Cabinet shall direct.”

Official statistics are those that are collected and compiled by the Economics and Statistics Office in accordance with the Statistics Law (2016 Revision) and any subsequent amendments thereto. All surveys and data collection activities required in the production of official statistics are approved by the Cabinet in accordance with Section 7 of the Law. **The release dates presented below are the targets dates that the reports are to be released to the public; however, the reports may also be released prior to these targets dates.** The reports will be released through www.eso.ky

Statistical Publication	Target Date of Release
<p>Annual Foreign Trade Statistics Report 2022 The Foreign Trade Report presents in detail the value of merchandise imports into the country, and exports out of the country. Merchandise imports are compiled and categorized by (i) the <i>Standard International Trade Classification (Revision 4)</i> issued by the United Nations Statistics Division; (ii) broad economic classification; (iii) country of origin; (iv) port of entry; and (v) quarter of the year.</p>	<p>May 31, 2023</p>
<p>Balance of Payments and International Investment Position Report 2022 The Balance of Payments Report summarizes the economic and financial transactions of the residents of the Cayman Islands with residents of other territories. These transactions comprise the current accounts (trade in goods and services, income and current transfers), financial and capital accounts. The BOP Report is generated from the results of an annual survey of establishments using the methodology prescribed in the international <i>Balance of Payments Manual (6th Edition)</i>.</p>	<p>December 31, 2023</p>
<p>Compendium of Statistics 2022 The Compendium is a compilation of local statistics from various government and non-government organizations. It covers a wide range of areas such as demography; vital statistics; national income and prices; key economic sectors; education, health and protective services; environment; transportation and communication, infrastructure, etc.</p>	<p>September 30, 2023</p>
