Coverage: This survey is for all entities in the Cayman Islands with at least one employee (full-time or part-time) as of the end of September 2026.

Purpose of the Occupational Wage Survey: Information collected from this Survey will be used to develop an Islands-wide baseline database of employment in various occupations in all entities (public and private) across the Cayman Islands. The database will comprise of remuneration, occupation, employee characteristics, work hours, and type of employment. The database will be useful for (a) reviewing employee remuneration and benefits; (b) establishing the mix of occupation by immigration status in the various industries; (c) estimating labour cost in the Cayman Islands by occupation and industry and other subcategories; and (d) analyzing employee productivity by industry or sub-industries.

Confidentiality: The Statistics Act (2016 Revision) guarantees the confidentiality of the individual information provided in this Survey. The Law prohibits the Economics and Statistics Office (ESO) from publishing or disclosing any statistical data which would result in the identification of an individual or organization. The individual data gathered from this survey will be used exclusively by ESO for statistical purposes, and the results will be published in aggregated form only. Survey data collected by the ESO is also exempted from and cannot be disclosed using the Freedom of Information Act (FOI).

Legal Mandate: Completion of this survey is a legal requirement under Section 11 of the Statistics Act (2016 Revision) and is, therefore, **MANDATORY**.
